Reissue Applications

1. The original patent, or a statement as to loss or inaccessibility of the original patent, must be received before this reissue application can be allowed. See 37 CFR 1.178.

Allowable Subject Matter

2. The following is a statement of reasons for the indication of allowable subject matter: the overall claimed combination of a respirator having a facepiece, a cartridge receiving structure and including a filter cartridge which is pressed into engagement with the cartridge receiving structure without rotational movement of the filter cartridge relative to the receiving structure and the filter cartridge being separable from the cartridge receiving structure by pulling manually thereon without additional manual manipulation, is neither anticipated nor rendered obvious by the prior art of record.

Conclusion

3. This application is in condition for allowance except for the following formal matters:

The original patent, or a statement as to loss or inaccessibility of the original patent, must be received before this reissue application can be allowed. See 37 CFR 1.178.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
